Visit Kowloon Park

R2 LAM Man Tan, Anna

I go to Kowloon Park with Miss Sze and Miss Choi. This park is in Kowloon. I can see trees, two fountains, flowers and birds. There is a maze too. Children can walk around,

plant flowers and swim. We mustn't pick flowers. We mustn't spit. It is fun to go there. I can see many beautiful flowers.

A Birthday Present

R3 AVENC Diego

Sam wants to buy a birthday present for his friend Linda. He is in a gift shop. Sam sees a beautiful pink hat. He remembers Linda loves pink.

Sam goes to the counter and asks the lady, "How much is the pink hat?" The lady says, "It's forty dollars." Sam buys the pink hat.

The next day is Linda's birthday. Sam goes to her house for her birthday. He gives her a gift. Linda is very happy and excited.

Linda also invites her friends for her birthday party. She receives many gifts. They all enjoy the birthday party. After the party, she opens the gifts. She likes the pink hat the most. She is extremely happy.

My Timetable

23 FENG Qian Qian, Peggy

This is my timetable. I am very busy every day. I play badminton at nine o'clock on Tuesday morning. I like it because my classmates go to the badminton court with me. I play basketball at five o'clock on Wednesday afternoon.

I play the piano at five o'clock on Thursday afternoon. I like it and my friend goes to the piano lesson with me.

I go to the swimming pool at nine o'clock on Friday morning.

I go to the gym at five o'clock on Saturday afternoon. I go to the gym with my classmates. I like it because it is fun.

A Day Camp

PLEUNG Kwok Lap, Tom

Today, I had a day camp with my classmates. We went to Hong Kong Silvermine Bay Jockey Club. It was in Mui Wo. I woke up at seven o'clock in the morning. We gathered at Mui Wo River Silver Garden at half past eight.

It was a sunny day. We went to the camp site on foot. It took us about twenty minutes. When we arrived, I could see a lot of facilities, such as a hall, an archery range, an adventure field, basketball courts and a barbecue site. First, I played some games with my classmates in the hall. I was very happy because the games were exciting. Next, we shot arrows in the archery range and played on the rope course in the adventure field. It was amazing. After that, I shared some snacks with my classmates in the basketball court. I also took photos with my friends there. Finally, we went back to Mui Wo River Silver Garden at one o'clock.

Although I was very tired, I was very happy. We had a great time at the day camp, so I want to go there again next year.

School Day Camp

R6 WONG TSZ Pok, Oscar

Last Thursday was our school's outing day. All the teachers and my classmates went to HKPA Jockey Club in Mui Wo. We gathered outside the wet market at 8:30 in the morning. We were excited. All my classmates were there except one because he did not have any COVID-19 vaccination. The whole school participated in this fun activity. We did many fun things at the camp and played many games.

First, we played a team game. A group of students had to build a plastic cup pyramid without touching any cups with their hands. We had to move and played up the plastic cups carefully using only rubber bands. We won the second prize and got some snacks as an award.

After that, we played badminton. I accidentally hit the shuttle cork and my classmate, Sunday. He yelled in pain and went home with a bruise on his arm. I said sorry and we both were okay afterwards. Before we went home, we played on the climbing frame. It was scary but exciting. I took some photos, so I can always look at how fruitful that day was.

A Visit at the Science Museum

R6 BLAS Nash Darrell

On 14th October, 2022, we went to the Hong Kong Science Museum. I was so excited because it was my first time to go there.

In the morning, I packed my bag. I brought my phone, a pencil case, some water and G.S. worksheets. Then I drove my bike to the Mui Wo Market. We boarded a coach. It took us 45 minutes to get to the Science Museum. When we arrived, we all had to go to the toilet before entering the dinosaur display zone. After we entered, we saw a lot of fossils of dinosaurs like Allosaurus, Hesperosaurus, Doplodocus, Hatzegopteryx and Tyrannosaurus. We learnt about how long the lived and how they died. We even saw a robot dinosaur! After seeing the dinosaur fossils, we went to the halls of mirrors. There were many different kinds of mirrors like funny, tall, long, fat or weird. Then, we went to the battery and electricity zone.

At last, we took a photo outside the museum and took a coach back to Mui Wo. I was happy but tired. It was a good day.

room on the first floor.

Our school had a Christmas party today. Eric and I went to school early in the morning to decorate our classroom. Our class teacher told us to finish the decoration before our classmates came to school. We finished the decoration in fifteen minutes. Our class teacher and classmates were so surprised to see such a beautiful classroom. All of them said we did a very good job. We were so happy.

Then, we played a lot of fun and exciting games in the school playground. We were exhausted and went back to our classroom to have the Christmas party. We exchanged our Christmas presents. I was lucky because I got Hailey's present. I liked it very much.

Next, my class sang Christmas songs on stage. I was so nervous, but when I started singing, I didn't feel nervous anymore.

Then, there was a lucky draw at the end of the party. All of my schoolmates were so excited but I was not lucky enough to get the presents. The Christmas party was over. I hoped I could get a present next year.

Christmas Party

R4 LAM Wat Het, Halley

There was a Christmas party at our school today. I was very excited.

This morning, when I arrived at school, my classroom had already been beautifully decorated by teachers. There was a tall Christmas tree in the classroom. There were some hats on the desks. After a while, teachers told us to go to the playground and we played some interesting games.

After playing the games, we went up to the stage and sang Christmas songs. I was very nervous at the beginning, but I felt better when I started singing. Later, we went back to our classroom and exchanged Christmas presents. I got six Ultraman pens. I liked them so much because I wanted Ultraman pens for a long time.

Then, we went outside to join the lucky draw. Unfortunately, I didn't win any prize. I hope I can win something next year.

When I arrived home, Daddy and Mommy said, 'We are going to Disneyland.' I was super happy today.

My Best Friend

P45 VIDAL Louise Sandrine Sze-Wan

My best friend is Sophie. We are in the same class. She has been my best friend since Primary one. She has a round face and long straight hair. She also has a small nose. She usually wears P.E. uniform to school because she likes doing sports.

Sophie is very friendly. Although she usually stays at home, she goes to the park with me at weekends. At school, she usually plays with me at break time. I often teach her how to do homework patiently. She is very kind too. She often talks to me and listens to me. She always shares her snacks with me. We never quarrel with each other.

I like Sophie a lot. We get on well with each other. I hope we will be friends forever.

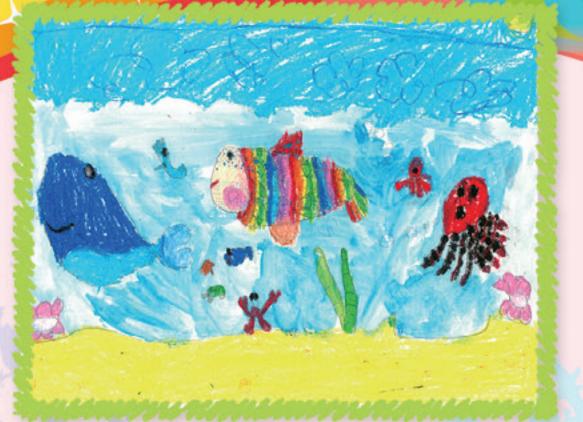

Mid-autumn Festival

R3 RAIMIApphia

Yesterday was Mid-autumn Festival. I did my homework and ate my lunch. After I finished eating, I watched TV and drew in my big sketch book. I was excited because my mom said I could go to the beach at night to look at the moon.

While I was eating dinner, I suddenly lost my appetite and didn't want to eat my food or drink my Cola. My helper took my temperature but it was normal. She said I had a stomachache and gave me some medicine.

I was upset because I couldn't go to the beach or eat any ice-cream that night. I had a bad time at this year Mid-autumn Festival. I hope it will not happen again next year.

「以人為本」的MWS生活

2月1日起,本校恢復全日面授課堂。

梅窩學校一直「以人為本」,除了首要考慮學生的身心需要外,也關心家長的過渡期適 故此,學校悉心編排全日課堂時間表,於放學前增設導修課,讓學生在回家前完成部份功 課,並就學習難點向科任老師發問,以減輕學生和家長的課業壓力,更能妥善安排課餘活動。

學校是一個讓學生**進步和健康成長**的地方,配合全日面授,學校進一步優化校園環境和設 施,以協助學生建立與時並進、活躍及健康的學習和生活模式。現時,每個課室均設有互動式 電子白板或智能黑板,以增加學生的課堂參與度,促進更佳的互動;操場上設有大型抱石牆, 於體育課教授學生基本攀石技巧,有助學生的體能和肌肉發展;校園內添置設有消毒系統的盛 水式斟水機,讓學生能更安全地使用自備水樽添加飲用水。

每個學生都是獨特而珍貴的。他們的天賦才能各有差異,能力也有不同。作為學校前線教 育工作者,本校教職員團隊會繼續同心合力,為學生打造一個充滿關愛、互相尊重的愉快校 ,透過常規課程讓學生得到堅實的知識,同時從豐富的課外活動,發展學生的潛能,提升共 通能力和多元智能,使他們在德、智、體、群、美都能得到均衡發展。

我們一向致力推動正向教育和閱讀。除了繼續透過正向獎勵計劃,打造正向校園,增強學 生面對未來挑戰的必備心理素質,我們還積極推動電子閱讀,使學生緊貼時代發展,善用資訊 科技帶來的好處,奠下終身學習的基礎,以面對21世紀的挑戰,為社會作出貢獻。

期盼同學們在充裕且彈性的全日面授課堂下,更能體會校園上下的煥新,享受MWS生活 帶來的樂趣。

我叫楊雨航,是梅窩學 校一年級學生。在學校裏, 我學會了收拾書包,也學會 了遵守校規。我愛上中文 課,也愛上音樂課。小息 時,我喜歡玩耍和吃零食。

十二月二十一日是梅窩學校聖誕聯歡會的

《戶外活動學習日》

十一月十七日 星期四 晴

今天,老師帶我們到香港遊樂場協會賽馬會銀礦灣營,參加戶外活動學習 日。我們先要到梅窩銀河花園集合,然後步行前往營地。

我們到達營地後,就去禮堂裏聆聽老師和導師講解營地規則,然後去玩各種 遊戲及使用場地設施。

我們進行了拋豆袋、二人三足和攻防箭等活動。我覺得攻防箭活動是最難玩 的遊戲,而拋豆袋是最簡單的遊戲。當中更有自由活動時間,有些同學喝水,有 些吃小食,還有些談天説笑。

回家前,我們在營地拍了一張大合照,然後便高高興興地回家去。當天的戶 外活動學習日,我過得十分充實。我們在這些遊戲裏明白到必須有團結精神,才 可以接受不同的挑戰,跨過不同的難關。

今天真是美好的一天。早上,我一早起床收拾背包。收拾後,爸爸送我到街 市旁的花園集合。同學們都來到後,我們便出發了。走了差不多十五分鐘,我們 到達目的地了。

以為會進行比賽,但原來沒有,大家都感到十分失望。

第二個活動是在室內玩二人三足遊戲。我和一位三年級的女同學一組,過程

最後一個活動是尋找營地裏三十個動物圖案。可惜活動時間太少,還沒找 好,我們就要回到禮堂裏集合,準備回程。

我望着營地依依不捨地離開,希望我下次可把它們都找出來。

上星期日,我們一家和<u>悠悠</u>、<u>桐桐</u>一家去<u>香港海洋公園,水上樂</u> 園遊玩。

一進入水上樂園,我便看到各式各樣色彩繽紛的遊樂設施,很多 一家大小都在裏面玩得非常開心。

我們玩了很多不同的遊戲:「八彩天梯」、「沖天瀑布」、「天 海灣」、「旋風雙子梯」、「威威水地帶」等。

其中我最喜歡的遊戲是「沖天瀑布」。首先,參加者要圍成一圈 坐在一個藍色大游泳圈中。然後,游泳圈會左搖右擺、盪來盪去,盪 上一個巨型滑台。坐在游泳圈內的我們,感覺就好像被拋到天空一 樣,非常刺激!這個遊戲實在太好玩了,我足足玩了兩次呢!

黄昏時分,我們依依不捨地離開了……

雖然玩了一整天,但我一點也不累,我還想繼續玩呢!希望來年 我可以長得更高,那麼屆時我便可以玩更多遊戲了!

今天是開心的一天。我參加了課後興趣班——花式跳繩,從中我學會了二重跳跳繩花式。

一開始學習時,我練習了接近十五次也做不了這個動作。當我快要放棄時,朋友瑩瑩來到我身旁,她一邊跟我 聊天,一邊陪伴着我不斷嘗試二重跳。

突然,在我的手快速轉動下,繩子竟然從我腳下迅速穿越兩次,腳才落地。「我做到了!」我高興地叫起來。

幸好,我沒有放棄練習,要不然,到現在我也許還沒學會這個動作。從練習二重跳這個動作,我明白了做任何 事情都要堅持才能成功,有朋友的支持更會事半功倍。

樂呀! 這真是一個愉快的星期三。

幸福,只要有父母陪伴着你就是最幸福了。

《我真幸福》

説,最重要的還是他們對我的關心和疼愛。 在七歲的時候,我開始迷上了電子產品,所以生日禮物是一部平板 電腦,那也是我收過最貴重的生日禮物。但在十歲的時候,我就沒再要 求爸爸和媽媽買東西給我,因為我明白了一個道理,還糾正了錯誤的想 法——「擁有就是幸福,欠缺意味着不幸福」。無論物質上是否豐足, 父母都是盡心盡力地為你付出,不需要因為得不到想要的東西就覺得不

我設計了一個機器人——做功課機器人,顧名思義就是用來替學生 做功課,他的名字是「學神」。

根據專家分析,他的智商有二百五十,具有獨特的思考能力。「學 神」可以做任何功課,他會説話和寫字,更懂得中、英、日、韓、法、 德和俄語七國文字。

「學神」樣貌趣怪,左手拿着橡皮擦,右手拿着鉛筆。如果想念着 過世的親人,他還可以變成他們的樣子,真有趣呀!

我們可以隨時隨地使用智能手機、平板電腦和電腦來控制他;一旦 他充滿電後還很耐用,可以連續使用三天。

科技發展一日千里,「學神」將會越來越普及。期待在不久的將 來,「學神」為學生們擔當重要的角色。我們有一句口號「日日功課日 日愁,買了『學神』不用愁!」相信他能為家長和學生解決不少難題和 減少衝突。
